WORK EXPERIENCE

Python Intern

Jeevaniya Naturals Private Limited, Lucknow, India [🔗](#)

06/2018 – 09/2018

Jhansi, India

Jeevaniya Naturals Private Limited is an early stage start-up based in Lucknow, Uttar Pradesh. It has grown from the experience of Jeevaniya Society, which has worked for promotion of traditional health and farming systems for over three decades.

Achievements/Tasks

- Back-end Developer (Python)
- During the internship, I worked to develop the e-commerce website of the company. We have used Saleor (an open source software) which is an e-commerce storefront for Python and Django
- Integrated PayTM Payment Gateway APIs for making online payment
- Integrated MSG91 API using Python Requests library for sending messages, sending OTP and Confirmation message of correct OTP entered by the user

PERSONAL PROJECTS

Quiz App (02/2018 – 03/2018) [🔗](#)

- It is a web app created using Django and Bootstrap 4. It has following features: Users can sign-up and sign-in. Random questions are shown to users, and they can see their result immediately. Users can see their rankings on the leaderboard. Admin users can add questions using the Django admin panel.

Resume and CV Page (03/2018 – 03/2018) [🔗](#)

- It's a simple Resume and CV page designed using Bootstrap4.

Online Forum (12/2017 – 12/2017) [🔗](#)

- It's an online Forum front-end project built using Bootstrap 4. It has following features: Home page which shows different types of forum category, online members and forum statistics. New Topic where we can create new topic and comment about that topic. Overview Topics take record of recent comments in a forum.

ACHIEVEMENTS

Open Source Contribution (09/2018 – 10/2018) [🔗](#)

I have done one contribution in the open source project Saleor (An e-commerce storefront for Python and Django), in which there is a bug and I fixed it.

Rank in Aptitude Test (03/2016 – 03/2016)

I have secured 1st rank in aptitude test in branch-forum COSSCO and 3rd rank in the aptitude test of Literacy Sub Council of my college.

11th rank in Roborace (03/2016 – 03/2016)

My team secured 11th rank in the event ROBORACE of my college-fest Techzoin.
