

NEERAJ KUMAR SINGH

Jai Bharatt Bhavan, BIET, Jhansi 284128
(+91)7839246594 ♦ neeraj1909@gmail.com

EDUCATION

| | |
|--|------------------------------------|
| Bundelkhand Institute of Engineering and Technology, Jhansi | <i>July 2015 - Present</i> |
| Bachelor of Technology | Percentage: 73 (till 7th semester) |
| Department of Computer Science and Engineering | |

WORK EXPERIENCE

| | |
|---|----------------------------|
| Jeevaniya Naturals Private Limited, Lucknow, Uttar Pradesh | |
| Python Intern | <i>Jun 2018 - Jul 2018</i> |

1. During the internship, I worked to develop the e-commerce website of the company. We have used Saleor(an open source software) which is an e-commerce storefront for Python and Django.
2. Contributed to Payment Gateway Integration with PayTM and SMS Gateway Integration with MSG91.

LANGUAGES AND TECHNOLOGIES

| | |
|------------------------------|-------------------------------------|
| Programming Languages | C, Python |
| Web Technologies | HTML5, CSS3, Django, Bootstrap 4 |
| Operating Systems | Ubuntu Linux |
| Developer Tools | Git, Github, PyCharm, Visual Studio |

PROJECTS AND OPEN-SOURCE-CONTRIBUTION

| | |
|--|-----------------|
| Saleor(An E-Commerce Storefront in Django) | <i>Oct 2018</i> |
| I have done one contribution in the open source project Saleor, in which there was a bug and I fixed it. | |
| Github Link- https://github.com/mirumee/saleor/pull/3079 | |

| | |
|--|----------------------------|
| Quiz App | <i>Feb 2018 - Mar 2018</i> |
| It is a web app created using Django and Bootstrap4. It has the following features: | |
| A Django based web app which conducts quizzes. User sign-in/sign-up. Leaderboard for players. | |
| Random question generation for every user from database. Questions are displayed once per user. | |
| Modified default Django admin panel and added extra features to it. | |
| Github Repo- https://github.com/neeraj1909/quiz | |

| | |
|--|-------------------|
| Online Resume | <i>March 2018</i> |
| It's a simple resume page built using Bootstrap4. | |
| Github Repo- https://neeraj1909.github.io/ | |

| | |
|--|-----------------|
| Online Forum | <i>Dec 2017</i> |
| It's an online Forum front-end project built using Bootstrap 4. | |
| Github Repo- https://bit.ly/2TYeq7Y | |
